Hello Potential Sponsor;

Hello my name is Mike Dickson; I am the Event Chairman of the Farmingville/Holtsville Lions Club. We are a not for profit 501 C organization EIN#11-6036814

My club has an annual event, The Son of the Monster Mash Car Show to raise money for the Blind and Hearing Impaired in the Farmingville/Holtsville area. At the 2010 show, after expenses, we raised over \$25,000 dollars. We donated five thousand dollars to Canine Companions, another five thousand dollars to Smithtown Guide Dog Foundation, \$1,500 to TOYS for TOTS for Brookhaven women' and youth services, and were able to give two scholarships to students with disabilities going on to college. We provided free eye examinations to children whose parents don't have the resources along with eyeglasses to all that may possibly need them. Every year we collect hundreds of used eye glasses and through the help of Lens Crafters, they are refurbished and they can be placed in the hands of those who need them. If you look at the paper work enclosed, you will see what else our club does in the community. We had over one thousand show cars, over one hundred vendors and more than six thousand spectators at this past car show. This will be our 15th year, and every year it's more successful than the last. We have become the premier Car Show to close the season and we have the honor of being the only venue to sell out Bald Hill for three years in a row now since it started 21 years ago.

Please take a moment, out of your day to look through this folder . Enclosed you will find a complete brochure on canine companions. As a Veteran, I am proud that an organization has finally stepped up to help all those in the armed forces that are suffering from disabilities that hinder their everyday life. My goal this year is to purchase two Canine Companion dogs to help those that are physically challenged. Each dog costs approximately five thousand dollars. Please look at our sponsor sheet to see what might fit your budget this year.

I hope that after reading this letter you will give some consideration to our cause. If you have any questions, please feel free to contact me at (631) 447-2869, email at sotmonstermash@aol.com, or see us on the web www.sonofthemonstermash.com . Thank you for your time and cooperation.

Thank-You,

Mike Dickson
